Dear Prime Minister Trudeau,

I urge you to halt the construction of Site C dam, and honour Canada's obligations to respect and protect the rights of Indigenous peoples in the Peace River Valley, British Columbia.

If built, this huge hydroelectric project will drown over 80km of the Peace River Valley, destroying lands vital to Indigenous hunting and fishing and sweeping away grave sites.

Over 100 years ago, the Canadian government signed a treaty, promising to protect the way of life of Indigenous peoples in the region. Prime Minister Trudeau, please don't break that promise.

Yours sincerely,
