Dear Prosecutor General,

on 17 July, Aslan Yandiev was extradited from Slovakia to Russia. He is suffering from a long-term illness and is at grave risk of torture and other ill-treatment and an unfair trial in Russia.

I thus urge you to take all necessary steps to ensure Aslan Yandiev:

- is not subjected to torture or other inhuman or degrading treatment or punishment;
- has timely and effective access to any necessary healthcare;
- has a fair trial and has access to legal representation at all stages of the proceedings against him and that evidence obtained under torture is excluded at trial.

Sincerely,
